The purpose of the of SVP COLLEGE OF PHARMACY in HATTA is to provide rural students with high-quality education. One of its goals is to raise public awareness of the need to embrace innovations for bettering health and leading eco-friendly lives in order to uphold its social obligations. The institute is highly aware of how different extension operations affect its staff, students, the local community, and the environment in order to realise its vision and goal. The organisation places a high value on upholding its social obligations, making efforts to improve the community, and firmly believing in the long-term, sustainable development of society.

Due to its social responsibility, the institute has worked very hard to raise staff and student awareness of their social obligations by having them participate in a number of activities that are either directly or indirectly related to hot-button social issues through the National Service Scheme (NSS) unit. The institute engaged students in a variety of social activities to raise awareness of social concerns and to support their overall development. Numerous events are held by the institute, including Blood Donation Camps, Tree Plantations, Azadi Ka Amrit Mahotsav, Swachha Bharat Abhiyan, and Awareness Programmes on AIDS, Tuberculosis, Hepatitis, Anaemia, Dengue, and Chikungunya. to foster a sense of patriotism and encourage each institute student to participate in a variety of social activities while simultaneously keeping tabs on their academic progress.

The institute hosts a vibrant student council that encourages participation in a range of extracurricular activities as well as social and cultural events. Through a variety of extension initiatives, the institute seeks to improve the most marginalised groups in society. pupils' sense of national belonging, all national holidays are arranged on a regular basis. health care

The institute also arranges health screenings for the benefit of the rural populace. As a result, social responsibility and concern for community services and healthcare grow. The institute makes certain that students participate in a range of social movements and activities.
