<b>Description</b>	<p>On June 1, 2020, the NSS Committee undertook a comprehensive initiative focused on COVID-19 Awareness and Support Activities to address the unprecedented challenges posed by the global pandemic. Recognizing the urgent need for public awareness, NSS volunteers actively engaged in disseminating accurate information about preventive measures, hygiene practices, and the importance of social distancing through various mediums, including online campaigns, posters, and community outreach programs. The committee also collaborated with local health authorities to organize virtual seminars and workshops featuring medical experts, providing valuable insights into the virus and its containment. In addition to awareness campaigns, the NSS Committee initiated support activities such as the distribution of hygiene kits, face masks, and sanitizers to vulnerable communities, healthcare workers, and front-line responders.
