SVP COLLEGE OF PHARMACY

(D.Pharm & B.Pharm)

At. Hatta Tq. Basmat Dist. Hingoli (M.S.) 431705

4.1.1 Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga centre etc.

In the institution Modern infrastructure supplied by the college offers students exceptional learning opportunities because it is vital to the institution's vision. As a result, the facilities go above and beyond what is required by the AICTE to enable the plans to be carried out and the desired outcomes to be attained. The college campus has a well-equipped mess, hostel, sports facility, and playground. a stationery and wellness store, and a Xerox on campus.

Classrooms: The institute has six classrooms with LAN, Wi-Fi, and LCD projectors. But most importantly, the SVPCOP lecturers make the classroom experience extremely instructive. There are three tutorial rooms at the institute. All people can see clearly thanks to the natural soundproofing provided by the room designs and conceptions. Every classroom has a notice board where students can find out about their daily routine and receive periodic updates from their class teacher and college officials.

Laboratories: The college has enough lab space for conducting practical's for a range of courses. Every laboratory has a preparation area and a place to store chemicals.

Instrumentation Room: To facilitate research, an analytical instrumentation facility has been established. There are numerous advanced equipment available, such as UV-visible spectrophotometer, high-performance liquid chromatography (HPLC), Fourier transform infrared spectrophotometer, etc.

Machine Room: To support our institute mission of producing qualified pharmaceutical professionals, the college includes a centrally located instrumentation facility. Compression machine, tablet press, auto coater, fabricator, hardness tester, etc. are all part of this facility.

Computer Lab: Students can use a computer lab that is equipped with enough computers, internet access, and a projector to allow hands-on learning. Additionally, the college offers access to software programmes including Biyani Technologies' English Language Laboratory Software for communication skills and Ex-Pharm, which is utilised for pharmacology practical's.

Cultural Activities: We support students in cultivating a well-rounded personality in addition to their academic pursuits. Under the guidance of the responsible faculty, the student members of Gymkhana are involved in the organisation and implementation of a range of cultural events.

Sports Facilities: The institute offers spaces for indoor games and promotes health awareness among the students. There are volleyball, badminton, cricket, and kabaddi courts at the institute. In addition, there is a field for sporting activities.

Gym: The facility has a well-stocked gym with machines such as an elliptical trainer, weights, leg extensions, and tread mills. There are students there, or members of the gymkhana.

Yoga Centre: Every year, our university observes International Yoga Day in an effort to inspire students to practise yoga and meditation. Programmes for "Stress management" and "Yogas Ana" are frequently planned and executed by executives.

Auditorium: The institute features an auditorium that is roomy, well-furnished, and has good ventilation. It gives staff and students lots of chances to organise activities like the annual gathering, Teachers Day, Pharmacist Day, and many intra-college competitions (debate, quiz, poster presentation, model presentation competition, etc.).
