The institution's Governing Body is organised in compliance with PCI and AICTE regulations. It is the principal decision-making body of the organisation. The College Academic Council is the other primary organisation that assesses various quality control methods. Section leaders and scholars make up this group.

The Institute has formed a variety of departmental and institute-level committees to guarantee the efficient operation of the institution. The Principal presides over meetings of various statutory and non-statutory bodies and committees, including the Internal Quality Assurance Cell (IQAC), the Grievance Redressal Cell, the Examination Committee, the Training and Placement Committee, the Anti-Discrimination Committee, and the Research & Development Committee.

The college's governance is handled by the following organisations:

More information regarding the hierarchical administrative structure of the institution can be found in the Organogram.

The service standards that are applicable to college workers are kept up to date by the office and are also available online.

Faculty members are made aware of the rules upon joining; these are open to everybody. In order to hire faculty members, the Internal Staff Selection Committee holds interviews as needed and presents the findings to the Governing Body during its meetings.
