GREEN CAMPUS INITIATIVES

Policy Documents/ Decisions Circulated for Implementation:

- The university has meticulously established campus greenery procedures. A special committee develops the organization's infrastructure.

We priorities preserving an eco-friendly environment and conduct concerted efforts to improve it as part of our social responsibility.

- Environmentally friendly practices include tree planting and reducing plastic use.
- The institution has a variety of trees, plants, and vines that provide beauty and oxygen to halls, passages, and porches.
- A full-time gardener oversees campus plants, trees, and vines.

The usage of organic fertilisers is encouraged for tree growth.

- Awareness programmes, such as tree planting and cleaning campaigns, promote eco-friendly living and environmental cleanliness.
- Organized programmes encourage bicycle and public transit usage to reduce pollution.

A monthly Bicycle Day is also observed for the cause.

- The institution established methods for achieving paperless targets.
- The institution priorities lowering paper use by minimizing printing, removing unnecessary printers, and requesting paperless statements.
- The organization facilitates digital document organization, email use, and daily communication via social media platforms like WhatsApp.
- The college has created Android apps for tracking student attendance and administrative tasks.
- The university has developed paperless programmes for online exams on Windows.

Policy Documents/ Decisions Circulated for Implementation of Ban on Plastic:

- The Institution has systematically planned every procedure for maintaining its campus plastic-free and shall strive make their campuses by systematically banning use of plastics and replacing the same with suitable environment friendly substitutes.
- Ban use of single-use plastics in canteens, shopping complexes in the institution's premises and hostels, etc.
- Carry out awareness drives and sensitization workshops on the harmful impacts of single use plastics.
- Mandate all students to avoid bringing non-bio-degradable plastic items to the institution.
- Encourage their students to sensitize their respective households about harmful effects of plastics and make their households “plastic free”
- Install necessary alternative facilities like water units to avoid the use of plastic water bottles, and encourage use of alternative solutions like cloth bags. Paper bags etc., instead of” plastic bottles, bags, covers and other goods on campus
