**7.1.4 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic diversity and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (Within 500 words)**

Every year, the institute's state admission regulatory body admits students from a variety of states, regions, castes, and socioeconomic backgrounds. Students with a great deal of potential to lead the pharmacy fraternity in the future come from a variety of backgrounds, including different cultures, languages, and geographic locations. Celebrating religious holidays or celebrations encourages people to show one another their respect and worth.

**Regional and Linguistic Activities:** To promote awareness of India's national and regional languages as well as the cultures associated with each of those languages, Marathi Brajbhasha Diwas and Hindi Bhasha Diwas are two examples of various linguistic events.

**Religious Events:** Jayanti (Chhatrapati Shivaji Maharaj), Ganesha Festival, etc.

The institution educates its staff and students on their constitutional duties, which include:

1. **Right to Equality:** The state cannot deny someone the ability to apply the law equally or equal protection under it.
2. **The right to freedom** is guaranteed to all citizens. This includes the freedoms of speech and expression, organisation and union formation, travel around India without restriction, residence and settlement in any region of the country, and employment in any industry, trade, or business.
3. **Right against Exploitation:** This article forbids the use of forced labour, including human trafficking, and any infringement shall be subject to legal repercussions.
4. **Right to Freedom of Religion:** Everyone has an equal right to freedom of conscience and the freedom to openly declare, practise, and propagate their religion, subject to laws pertaining to public health, morals, and order as well as other restrictions.
5. **Right to Life:** In the event of a criminal conviction, one's right to life and personal liberty is safeguarded.

6. **Cultural and Educational Rights:** Indian residents have the right to maintain their unique language, script, or tradition.

7. **Right to constitutional remedies:** All fundamental rights guaranteed by the Constitution must be upheld by the Supreme Court.

8. **Right to privacy:** In addition, Independence Day, Republic Day, and Azadi ka Amrit Mahotsav are observed on campuses, addressing the obligations and responsibilities of citizens. The right to privacy is a key component of the right to life and personal liberty.

9. **Community and socioeconomic Activities:** A range of NSS initiatives are carried out, including health check-up camps, social issue awareness rallies, dental exams, immunisations, and health check-ups. We abide by the Student Code of Conduct and the Employee Service Rule out of a sense of professional ethics.
