Description	<p>Our college arranged tree planting initiative to raise public awareness about climate change and its negative effects on us. The principal of our institution, Dr.Shivani Vaidya, was the guest of honor for this tree planting programme, which began at 2:00 in the afternoon. A range of 200 plants were planted in the college garden and periphery of the college playground to create an awareness about saving trees. Students planted many saplings and it contains medicinal properties. The program ended at 4:00 p.m. the students pledged to plant as many trees as possible near our areas so as to create a very healthy environment and contribute in minimizing the climatic changes. We hope that everyone will plant a tree at least once in their lifetime to help preserve the environment.</p>

Description	<p>To accelerate the efforts to achieve universal sanitation coverage and to put focus on sanitation, the Prime Minister of India had launched the Swachh Bharat Mission on 2nd October 2014. The mission was implemented as nation-wide campaign/Janandolan which aimed at eliminating open defecation in rural areas during the period 2014 to 2019 through mass scale behavior change, construction of household-owned and community-owned toilets and establishing mechanisms for monitoring toilet construction and usage. Under the mission, all villages, Gram Panchayats, Districts, States and Union Territories in India declared themselves "open-defecation free" (ODF) by 2 October 2019, the 150th birth anniversary of Mahatma Gandhi, by constructing over 100 million toilets in rural India</p>
